

ENGLISH - POEM

All you need is in Schmiden

Schmiden,

a German village.

Next to Stuttgart.

Has a graveyard.

And a church.

That's all,

what I know about it,

so at least I must say that

Schmiden isn't very big!

Has a graveyard.

And a church.

That's all, so I must say: „Schmiden isn't very tall!“
